

## Reset Your Postini Password:

**Log in to your message center.**

**Invalid log in or server error. Please try again.**

[Forgot your password?](#)

Log in Address   
example: joe234@jumbowidgetsco.com

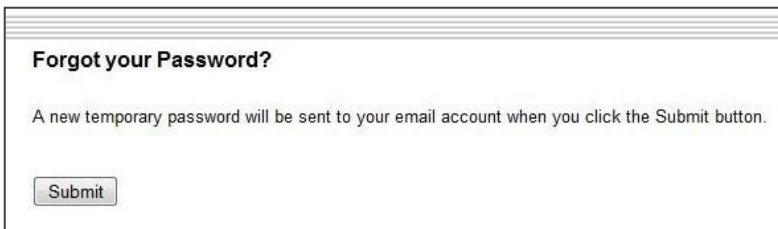

Password

note: password is case-sensitive

Remember my Address and Password ([what is this?](#))

[Log In Help](#)

- 1.) When you login to <http://login.postini.com>, you may see this message.
- 2.) Towards the top you will see, "Forgot your password?" Click this link.

**Forgot your Password?**

A new temporary password will be sent to your email account when you click the Submit button.

- 3.) Click the Submit Button
- 4.) Check your email. You will receive a temporary password in your inbox.
- 5.) Log back into Postini using your email address and the new complex password.
- 6.) The first page you will come to will ask for your old password (from the email), then you will enter in the password you would like to login with twice.
- 7.) Now you will be able to navigate your Postini Spam filter.

red Trash

**Change Password**

For better security, specify a password that contains a combination of letters, numbers and special characters. Do not include spaces.
