

Technology that Works.

Answers You Understand

LANAIR Group, LLC is a pragmatic, solution-oriented technology company that designs, implements and manages scalable, customized IT and Unified Communication systems. Our success is measured by achieving consistent uptime for our clients, while providing speed and simplicity to expand what is possible for their business.

Five Reasons LANAIR Group Moves Businesses Forward.

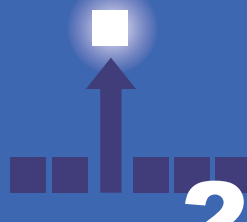

We keep your systems **UP** and your networks **RUNNING.**

1

We build systems smarter. Supplying more stability and less downtime, our systems increase overall productivity while helping to control costs. That's why more than 50% of our business comes from repeat customers.

We go **BEYOND** the Status Quo

2

Good isn't good enough. We go for great with top-notch service and lightning fast response time. We consistently earn a place in the top 1% of Net Promoter® Customer Service rankings.

We make your technology **BETTER** than before.

3

We don't just fix a problem. With the brightest minds and world-class products, we create sophisticated systems that allow you to focus on your business instead of fixing IT issues.

We're your **CLARITY** in the midst of complexity

4

We act as your trusted advisor. We help you understand trends in technology so you can work with new technology, not against it.

We don't say it, we **DO** it.
